CORKCICLE®

Corkcicle designs innovative, reusable drinkware and coolers to reduce environmental impact. 771 million people lack access to clean and safe water. Corkcicle addresses this through their partnership with charity: water, helping to provide clean drinking water to those in need. This support fosters women's empowerment, economic growth, and health education. Additionally, Corkcicle donates 1% of all sales to various nonprofits, reinforcing their commitment to making a positive global impact .

ONE HOPE

One Hope Wine is dedicated to making a positive impact with every bottle sold. Since its founding, the Napa Valley-based winery has donated over \$9 million to various causes, including funding meals for children, supporting cancer research, and providing clean water through solar water farms. Customers can choose a cause to support with each purchase, with 10% of proceeds going to nonprofits. Through partnerships and their Cause Entrepreneur community, One Hope Wine has built schools, funded reforestation projects, and helped thousands of local nonprofits.

SLOWTIDE

Founded by three friends in 2015, Slowtide creates art-inspired towels, blankets, and ponchos that blend design and functionality. Committed to sustainability, Slowtide uses sustainably sourced materials and ensures fair working conditions in their factories. The company donates 1% of every sale to a nonprofit of the customer's choice, supporting a variety of causes. Additionally, their products help reduce environmental impact, reinforcing their dedication to creating high-quality, eco-friendly items.
